HAND CRAFTED SPIRITS INTERACTIVE SCULPTURES

# WELCOME TO FUNKY ICE FEST!

If you thought we took it to the max in 2017, you're really going to feel that funk this January. We're getting real groovy with dozens of interactive sculptures carved by the talented Kirk Sheloski, a 70s dance party, disco balls, an ice-art gallery, delicious nostalgia-inspired food truck menu, bonfires, the new Funky Lounge, Adirondack Brewery beer, and much, much more! Catch our drift??

Our Dy-No-Mite DJ Derek will be back in the building, bringing the funk. Be a cool cat and bring your own vinyl (BYOV) to get played at the event. Funky Ice Fest will be going down at the Pub January 19-20, and January 26-27, each night one of our sponsors will be highlighted, and you'll be able to sample awesome beverages, talk to reps from our sponsors, and have a chance at giveaway prizes! Can you dig it??
