

Adirondack Pub & Brewery is A Fully Vaccinated Business.

The Adirondack Brewery will be REQUIRING PROOF OF VACCINATION for everyone entering the building.

Since the beginning of this pandemic our main focus has been keeping our staff and customers safe. We strive to be a leader within our community and we hope this course of action will keep everyone as healthy and safe as possible until we can get back to more normal operation.

We ask that you show compassion to our staff and are respectful to your fellow patrons. We will be reevaluating this policy over the next couple of weeks to ensure that the Adirondack Brewery is always taking the proper steps to secure a great experience for its customers and its staff. Thank you for understanding this difficult situation we are all in.

FAQ FOR VISITING THE PUB

What if I forget my vaccine card?

We cannot allow you into the restaurant without showing proof of vaccination.

If I am not vaccinated can I just wear a mask?

No, unfortunately we must require proof of vaccination for everyone.

What about children?

Children under 12 need to wear masks if they're not vaccinated.

I've already had Covid, does that mean I am naturally vaccinated?

Nope. You still need to have an actual vaccination.

Is your staff fully vaccinated?

Yes, 100%.
